## FOREWORD

The Institute of Chartered Accountants of Bangladesh (ICAB) is the sole apex body responsible for regulating the profession of Accountants and matters connected therewith in Bangladesh. The education and qualification imparted by the ICAB in Accountancy is recognized as the highest professional education and qualification in the country. The members of the ICAB are called Chartered Accountants and they are allowed to use the designatory letters ACA or FCA as granted by the Institute.

Established under the Bangladesh Chartered Accountants Order 1973 (P.O.No.2 of 1973) the Institute started functioning in 1972 with only 78 members housed in a small building in Motijheel Dhaka. It has now grown to a membership size of **969** members with regional offices in Dhaka and Chittagong. There are two overseas chapters of regional committees i.e. one in London and the other in Toronto.

The responsibilities of the Institute are to conduct the professional examinations, award membership of the Institute to qualified Chartered Accountants, issue practicing certificates to the members, maintain the status and standard of professional qualifications and regulate the members of the Institute within the purview of the Bangladesh Chartered Accountants Order 1973 and the Institute of Chartered Accountants of Bangladesh Bye-laws, 2004. In addition the Institute has to make liaison with various government agencies, local and international Chamber bodies and business houses. It has also to undertake training courses for its members, students and other institutions to update their knowledge on profession of accountancy, auditing and information technology and legal and statutory obligations and so on.

ICAB is a permanent member of several international and regional accounting bodies including the IFAC (International Federation of Accountants), IASB (International Accounting Standards Board), CAPA (Confederation of Asian and Pacific Accountants) and SAFA (South Asian Federation of Accountants). It regularly participates in international and regional seminars and workshops all over the world. It also hosts such seminars and workshops in the country.

More than one-third of the Institute's active membership are currently in public practice, working in accountancy firms of all sizes from sole practitioners to affiliates of large international firms and partnerships. The rest of the members are employed in industry, finance and commerce and playing a wide variety of financial, management and senior policymaking roles-both at home and abroad.

The Institute is governed by a Council comprising 20 members elected from the two regional constituencies in Bangladesh headed by an elected President who is the Chief Executive of the Institute. The Council's main responsibilities are the overall management of the affairs and the business of the Institute including consideration, setting and review of strategic policies. It provides advice and support to the Government and various other interested bodies when requested.

The day to day running of the Institute is delegated to the Secretariat, headed by the Secretary. The Secretariat is located at Chartered Accountant Bhaban 100, Kazi Nazrul Islam Avenue, Kawran Bazar, Dhaka-1215, Bangladesh. All departments can be contacted in the phones: 9115340/9117521/9137847/91299112672/9660882.
